

## **uniQure Added to NASDAQ Biotechnology Index**

**Lexington, MA and Amsterdam, the Netherlands**, December 11, 2017 — [uniQure N.V.](#) (NASDAQ: QURE), a leading gene therapy company advancing transformative therapies for patients with severe medical needs, today announced that the Company has been added to the NASDAQ Biotechnology Index (NBI). The addition is part of NBI's annual review of biotechnology and pharmaceutical companies listed on the NASDAQ Stock Market that meet NBI's eligibility criteria. uniQure will be added to the NBI effective prior to market open on Monday, December 18, 2017.

The NASDAQ Biotechnology Index is a modified market capitalization weighted index that is designed to track the performance of a set of securities listed on The NASDAQ Stock Market, that are classified as either biotechnology or pharmaceutical according to the Industry Classification Benchmark and is re-ranked annually in December. Additional information on the eligibility criteria and further details about the index are available through [this link](#).
